

PROHIBITION SPECIAL WILL STOP HERE

October 14th Local Committee Have Charge of Affairs, and Will Endeavor to Have

ADDRESSES DELIVERED FROM THE TRAIN

An advance agent of the "Prohibition Special" which is to stop here October 14th was in the city Tuesday trying to make arrangements to have some of the famous speakers address the people of Earlington from the train. Mesdames Jno. L. Long, Dan M. Evans and R. L. Fenwick are the committee in charge and hope to interest all the good people of the city in making it possible to have some prominent speaker deliver an address from the train. The faculty of the school with all the pupils will march in a body to the special to hear some of our nation's greatest speakers, should arrangements be completed.

To Those Who Drive or Ride in Automobiles

Illinois Central Railroad Company
The Yazoo & Mississippi Valley Railroad Company
Chicago, Oct. 2nd., 1916.—The constantly increasing number of automobile accidents at grade crossings prompts the issuance of this warning to all who own, drive or ride in automobiles to STOP, LOOK and LISTEN before passing over any railway grade crossing.

Crossing gates, automatic warning bells, electric headlights and engine signals, if not heeded by those for whose protection they are intended, are unavailing.

I will be glad to receive and consider suggestions intended to reduce automobile accidents at grade crossings, for the railroad is anxious to do its full part. However, if any person who owns drives or rides in an automobile will STOP, LOOK and LISTEN at grade crossings, the danger will be entirely eliminated.

T. J. FOLEY,
General Manager.

REPUBLICANS, ATTENTION

MUST PAY BACK MONEY

Hopkins County Officers Must Make Restitution, Rules Judge

County Attorney G. W. Sybert and former County Judge R. B. Bradley Thursday were ordered, in a decision handed down by Circuit Judge Henderson, at Madisonville, to pay back to the trial court of Hopkins county \$2,400, the amount of salaries claimed to have been paid to these officers, with interest, from August 24, 1914, to the present. Sybert is to pay back \$1,200, and Bradley, \$1,400. Sybert is also ordered to pay back to the court the salaries of Clerk Miles, former Sheriff J. B. Sledge and former Superintendent of Schools A. J. Fox. The court also ordered and decided that the defendants and affidavits be filed in the court of appeals, the sums against each of these officers from \$1,400 to \$1,800.

The suits were filed by a number of citizens, through G. W. Leetrip. The salaries of the county officials were raised after their election, which was claimed illegal, the courts holding. In the case of former County Clerk Miles and former Sheriff Sledge, fees were collected, it is claimed, that should not have been paid.

What Are You Doing?

What are you doing for this town? What are you doing to justify your citizenship in this town?

You can not sit down, criticize, let others do the work that makes a town or community, and still call yourself a good citizen.

The good citizen never thinks only of self. He must necessarily think of self or he would not survive, but good citizenship requires more than that—much more.

It requires that you keep in mind that there are others who have rights respected by others—by you. On the same basis you are entitled to have your rights equally respected by them.

That is good citizenship—partially.

In addition, the good citizens remember that this town is entitled to his best efforts in its behalf, to the end that the interests of the community may be advanced by all legitimate means.

This means, too, that in advancing the interests you are advancing your own, which is the ultimate aim of the human race.

What, then, are you doing to constitute yourself a good citizen? Vote yes on the bond issue.

JUDGE SPARKS

Speaks to Overflow Meeting at City Hall Wednesday Evening

REMARKS FORCEFUL AND WELL RECEIVED

Judge T. J. Sparks spoke to an overflow meeting at the City Hall Wednesday evening in the interests of the Republican ticket. He is a speaker of great ability and his remarks were well received by all present, both Democrats and Republicans. His talk was forceful and to the point and he discussed the issues of the hour in a logical, clear, concise manner that could not help but convince his hearers of his sincerity and evident belief in the principles he advocated so warmly.

Judge Sparks is to return to our city on Monday evening, October 16, to address the citizens of Earlington on the question of good roads and our contemplated bond issue, this address of course being non-partisan.

The contemplated meeting of the Hughes-Fairbanks Club was not held, but postponed until Tuesday evening, October 10, at 7:30 o'clock. All are invited to be present at this meeting.

Figure it Out Yourself

The Cincinnati Enquirer, an Independent (Dem.) newspaper, published in its issue of September 10th, a political map of the United States, which strongly indicates the election of Hughes in the Electoral College by a large majority.

An explanatory summary of the map follows:

Total vote in Electoral College.....	531
Necessary to elect.....	286
Reasonably certain Republican states.....	179
Reasonably certain Democratic states.....	140
Doubtful with Republican leaning.....	154
Doubtful with Democratic leaning.....	40
Doubtful states necessary Republicans to win.....	87
Doubtful states necessary for Democrats to win.....	117

In the doubtful states with Republican leaning, the Enquirer places Massachusetts, New York, Ohio, Indiana, West Virginia, Connecticut, New Jersey, Kansas, South Dakota, Montana and Idaho. States classed as doubtful with Democratic leaning: Maryland, Missouri, Nebraska, Colorado, New Mexico, Arizona and Nevada.

Allowing Mr. Hughes all of the doubtful states with Republican leaning he would have a majority of 67 in the Electoral College. Allowing Mr. Wilson all of the doubtful states with Democratic leaning, would leave him 67 electoral votes short of election. Then to win Mr. Wilson must have all the states the Enquirer classes as Democratic, all of the states classed as doubtful with Democratic leaning and must gain 68 votes in states classed as doubtful with Republican leaning.

DIRECTORS MEETING

The regular October meeting of the Directors of St. Bernard Mining Co. will be held in the offices of the company at Earlington, Ky., on Wednesday, Oct. 11, 1916.
Dan M. Evans, Sec'y.

THE CITY COUNCIL

At Their Regular Meeting Monday Night, October 2

PASSED THE FOLLOWING ORDINANCE

The City Council of the City of Earlington do ordain as follows:

That WHEREAS, the City Council of the City of Earlington deems it necessary to incur a bonded indebtedness of Fifteen Thousand Dollars (\$15,000.00) to be expended for the construction and reconstruction of streets, avenues, highways and public places, in the City of Earlington, and to issue the City's bonds of various denominations, aggregating the said Fifteen Thousand Dollars, (\$15,000.00) all to be due and payable within twenty years from their date, with the right in the City to retire any or all of said bonds outstanding, at any time after five years from date, said bonds to be coupon bonds, and to bear 5% interest, payable semi annually, and to raise by taxation the sum of Fifteen Hundred Dollars (\$1,500.00) per annum, to be used for the purpose of paying said interest, and creating a sinking fund to retire said bonds at maturity. But the rate of taxation for all City purposes not to exceed 75 cents ad valorem AND THE SAID CITY COUNCIL DO FURTHER ORDAIN AS FOLLOWS:

That an election is hereby called to be held in the City of Earlington, at the next regular November election, 1916 at which election all the qualified electors of the said City shall be entitled to vote, for the purpose of determining whether such indebtedness shall be incurred. The City Clerk shall prepare and cause to be printed upon the ballots of the City of Earlington the said question, substantially in form as follows:

"Are you in favor of the City of Earlington incurring a bonded indebtedness of Fifteen Thousand Dollars (\$15,000.00) for the purpose of constructing, re-constructing and improving the streets, highways and public places of the City, and providing by taxation an interest and sinking fund of Fifteen Hundred Dollars, (\$1,500.00), annually, said bonds to be retired within twenty years from date, and to bear five percent interest per annum?"

Said election to be held at the same time and place of the regular November Election in the City of Earlington, and by the officers holding the same. For the purpose of giving notice of said election, the Clerk is directed to cause the whole of this ordinance to be published for at least two weeks in the Earlington Bee, a newspaper published in and of general circulation in the City of Earlington.

If upon a canvass of the votes cast at such election it shall appear that two-thirds of all the qualified electors of the City, voting in this election shall have voted in favor of incurring such indebtedness, the City Council will then proceed, by ordinance, for the creating of such indebtedness and for paying the same, and in such ordinances provisions shall be made for the levy and collection of an annual tax upon all the real and personal property, subject to taxation within the City, sufficient to pay the interest on such indebtedness as it falls due, and also to create a sinking fund for the payment thereof, within a period of not more than twenty years from the time of contracting the same.

GARRETT MAKES FINE ADDRESS

To Packed House at Opera House—Vigorous and Prolonged Applause

INTRODUCED BY D.H. KINCHELOE

Congressman J. Finis Garrett, of Tennessee, spoke to a large audience at the opera house last night. He was introduced by Congressman D. K. Kincheloe in a few well chosen remarks. Mr. Garrett is a very forceful speaker and made some telling shots as was evidenced by the frequent and vigorous applause.

AN ITALIANS DILEMMA

Col. Toombs rescued the following gem of Italian orthography from Oblivion during his recent sojourn in the mountains.

An old farmer of that district put a windmill to his well last Winter to facilitate watering his stock. It worked all right during the winter and spring but when summer came the wheel hung idle. The farmer was unwilling to lose his investment, and decided to put in a hand pump to operate in time of calm. He got a local Italian grocer to order the pump for him, which arrived in due season. The grocer unpacked the pump (he calls it "the valve") and overlooked the handle or lever in the packing box believing he had been duped, the angry grocer wrote "The House" the following pertinent letter:

Dear Friend:—
I get the valve which I by from you all rite but wy for God sake you doan send no handle, whats the use of valve when she doan have no handle. I lose me my costumor sure thing you doan treat me rite, is my money no so good to you as other fellows I wate ten days and my costumor he go hollering for water like hell, for the valve you no he is summer now and the wind he no blow the well. The valve he done got me no handle so what the hell I goan do, you send me no handle prety quick I send her back and I goan to order from some other house.

Good by, Your Fren
Antonio D. Atra
Since I write I find god damn handle in box. Excuse to me.

Run Over By Automobile

Little Lawrence Davidson, son of Dispatcher Davidson, formerly of this city, was run over by an automobile while on his way to school Tuesday in Evansville. The driver did all he could to avert the accident and was fortunately running at a slow rate of speed when Lawrence was struck. He was knocked down and a severe gash cut in his head.

Hoyt Coll, of Madisonville, was here last night.

There is a Real Difference

Cream of tartar, derived from grapes, is used in Royal Baking Powder because it is the best and most healthful ingredient known for the purpose.

Phosphate and alum, which are derived from mineral sources, are used in some baking powders, instead of cream of tartar, because they are cheaper.

If you have been induced to use baking powders made from alum or phosphate, use Royal Baking Powder instead. You will be pleased with the results and the difference in the quality of the food.

SHIFTY WILSON ON COLONEL'S BODKIN

Elusive Balancer on String of
Words Pinned Down by Proof
That in Fifteen Public Ut-
terances He Took Forty-
One Different Positions
on Preparedness.

EACH STAND CONTRADICTED
FROM 1 TO 6 OF THE OTHERS

Democratic Candidate Said That Our
Army Was Ample and That We Did
Not Have Enough Troops to Patrol
the Border; That We Were on the
Verge of a Massacre and That
There Was No Critical Situation;
That the National Guard Would Not
Do and Then That It Must Do.

In the fourteen months extending
from December 8th, 1914, to February
10th, 1916, there were fifteen mes-
sages, letters and speeches of Presi-
dent Wilson which I have read. In
these fifteen messages, letters and
speeches, during those fourteen
months, President Wilson took forty-
one different positions about prepared-
ness and the measures necessary to
secure it; and each of these forty-one
positions contradicted from one to six
of the others. In many of his speeches
the words of one portion of the
speech took all the meaning out of
the words used in another portion
of that speech; and these latter words
themselves had a weasel significance
as regards yet other words. He ar-
gued for preparedness and against
preparedness. He stated that our
army was ample; and that we did
not have enough troops to patrol the
Mexican border in time of peace. He
said the world was on fire, and that
sparks were liable to drop anywhere
and cause us to burst into flame; and
he also said that there was no im-
mediate danger. He said that there was
no sudden crisis; and then again that
he did not know what a single day
would bring forth. He said that we
were on the verge of a massacre; and
then that there was no special or
critical situation. He said the danger
was constant and immediate; and
also that we were not threatened from
any quarter. He said that there was
no fear among us; and also that we
were in daily danger of seeing the
vital interest and honor of the country
menaced and the flag of the United
States stained with impunity. He
said that we were in very critical
danger of being involved in the great
European struggle; and also that
there was no need to discuss the
question of defense, or to get nervous
or excited about it. In one and the
same speech, he said that a sufficient
number of men would volunteer, and
that if they did not he would be
ashamed of America; and he also said
that he did not know of any law
which laid upon them the duty of com-
ing into the army, if it should be
necessary to call for volunteers. He
said that we needed 500,000 volunteers,
and that if there was any legitimate
criticism of this demand it was be-
cause it was too small; and as soon
as Congressman Hays objected to the
plan, he promptly abandoned it. He
said that the National Guard was not
the proper body upon which to rely;
and then not only changed his own
mind but forced his own Secretary
of War out of his cabinet, because this
Secretary possessed less flexible con-
victions and was unable instantly to
reverse himself when going at full
speed.—From the Speech of Colonel
Roosevelt at Battle Creek, Michigan
in Behalf of Mr. Hughes.

Unfair.
It is unfair to call woman a timid
creature, when it is universally con-
ceded that she is as brave as an ele-
phant.—Judge.

Despondency.
When you feel discouraged and
despondent do not give up but take
a dose of Chamberlain's Tablets
and you are almost certain to feel
all right within a day or two. De-
spondency is very often due to in-
digestion and biliousness, for which
these tablets are especially valua-
ble. Obtainable everywhere.

Originally Latin Phrase.

The origin of the phrase: "All my
eye, Betty Martin" comes of mispro-
nunciation of the Latin "O mibi, bento
Martine," which is literally, "O blessed
Martin (help) me" and is found in
several instances of the middle ages.
Now it is slang for a lie. There are
several such Latin phrases which have
been degraded or transmuted. Hocus
pocus is derived from the solemn "hoc
est corpus," and elucary is a corrup-
tion of certiorari.

If you could look into a million homes.

Could you look into one home
in every twenty in America
and see in all of them a coffee
being served that is good
enough to make breakfast as
happy as this—

If you saw all these homes
using the same coffee—

You would never rest until
you had tried that coffee.

Your grocer has it for you—

Arbuckles'. It is by far the
most popular coffee sold in
America today!

Like the women in these mil-
lion homes, you will find that
Arbuckles' has the rich, full
flavor you have always
wanted.

Until you serve it you will
never know how much pleas-
ure coffee can give.

To supply the women of America with their favorite
coffee, ships of Arbuckles' Coffee are on the sea every
day, bringing coffee from the coffee growing coun-
tries to their big plant on the New York waterfront.

Here at the High Art Store, we put special emphasis on quality merchandise—but we never let quality interfere with our well-known fair prices.

That sounds like a hard combination to get—but you find it here in every article we show.

Our Suits for \$10 are as good as we can make them at the price. So are those at \$15, and \$20 and \$25, and more. The price you pay determines the quality you get, plus the extra-value common to the High Art Store.

The stocks for Fall and Winter show exactly what we mean—and you will see at a glance the extra value we claim. Suppose you take that "glance"—NOW!

YOU'RE BILIOUS! LET "CASCARETS" LIVE! LIVER AND BOWELS

Don't Stay Headachy, Constipated, Sick, With Breath Bad and Stomach Sour

Get a 10 cent box now. You men and women who can't get feeling right—who have headache, coated tongue, bad taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have a bad cold.

Are you keeping your bowels clean with Cascarets, or merely forcing a passageway every few days with salt, cathartic pills or castor oil?

Cascarets work while you sleep; cleanse the stomach, remove the sour, undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels.

A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet, liver and bowels regular, and head clear for months. Don't forget the children. They love Cascarets because they taste good—never gripe or sicken.

Pity the Poor Dyspeptic.

"Back home" we used to gather around the piano of an evening, a God-fearing, respectable family, and hold orgies of sentimental melody, seeing Nellie home, and imploring the winds of heaven to bring back our Bonnie to us. To a chance dyspeptic sitting on the hydrant outside, it must have been sickening.—Robert M. Gay, in the Atlantic.

How Catarrh is Contracted.

Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucous membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere.

Couldn't Shoot Straight.

Little Ned had been a bad boy, swearing in the presence of the preacher. His mother had corrected him, telling him that the lightning would strike him if he was profane. Young America looked solemn, then his face brightened as he replied: "I say, mamma, I guess he meant that bolt for me which struck the church next door, but the angels can't shoot straight."

To Identify Your Trunks.

I have proved the value in peace of mind and convenience of the following idea: I mark my bag or trunks with a marker of red, be it a bit of ribbon or a cord tacked on, so that in identifying my baggage among dozens of others I can instantly point out to the baggage man "that one with the red marker."—New York Evening Sun.

Itchlok, bleeding, protruding or bilious piles have yielded to Doan's Ointment. 50c at all stores.

Slip to Be Guarded Against.

Remember that a slip of the foot may crack a bone, but a slip of the tongue may crack a reputation or wound a character.

Fire!
To start a fire in wet weather locate a sheltered spot. If that is not possible, find an old log, a flat stone or a decayed stump. Roll the log half over. This exposes the dry side. Build your fire against this or against a flat stone, propping up one edge and building the fire under it. Or gouge out a rotten stump and build the fire in the cavity.

When You Take Cold.
With the average man a cold is a serious matter and should not be trifled with, as some of the most dangerous diseases start with a common cold. Take Chamberlain's Cough Remedy and get rid of your cough as quickly as possible. You are not experimenting when you use this remedy, as it has been in use for many years and has an established reputation. It contains no opium or other narcotic. Obtainable everywhere.

Trifles That Annoy.
How true it is that it's the little things that make or mar one's happiness! We know one noble and high-minded woman, for instance, whose whole life seemed blighted during a recent 24-hour period because she got a little too much bluing in the water she washed the curtains in.—Ohio State Journal.

**NEW STRENGTH
FOR LAME BACK.**

Letter Tells of Long-looked-for Prescription.
Dear Mr. Editor—I suffered from lame back and a constant tired, worn-out feeling. At times I was unable to stand erect and scarcely able to get around. It would usually come on at first with crick in small of my back. I took one box of Dr. Pierce's Anuric Tablets and my back commenced to get better soon after starting to take them. I did not have to walk doubled over as I did before using the "Anuric." It is the best remedy I have ever taken for what it is intended to relieve. I hope those who are in need of such a remedy will give the "Anuric Tablets" a trial.
(Signed) A. G. DRAKE.

NOTE: Up to this time, "Anuric" has not been on sale to the public, but by the persuasion of many patients and the increased demand for this wonderful healing tablet, Doctor Pierce has finally decided to put it into the drug stores of this country within immediate reach of all sufferers.
Simply ask for Doctor Pierce's Anuric Tablets. There can be no imitation. Every package of "Anuric" is sure to be Doctor P.'s. You will find the signature on the package just as you do on Dr. Pierce's Favorite Prescription, the ever-famous friend to ailing women, and Dr. Pierce's Golden Medical Discovery, proven by years to be the greatest personal tonic. Send 10 cents to Dr. V. M. Pierce, Buffalo, N. Y., for large trial package.
At any rate don't give up hope of being cured of your misery until just a few doses of "Anuric" have proven that it will make you feel like a different person.
EDITOR—Please insert this letter in some conspicuous place in your paper.

**EVER SALIVATED BY
CALOMEL? HORRIBLE!**

Calomel is Quicksilver and Acts Like Dynamite on Your Liver

Calomel loses you a day? You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knock out and believe you need a dose of dangerous calomel just remember that your druggist sells for 50 cents a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

Cynic's Mean Remark.
"You've heard the old saying that a woman's work is never done?" "Oh, yes," replied the cynical man, "and the curious thing about it is that it originated before women got the notion that they were called upon to run the earth."—Birmingham Age-Herald.

Whenever You Need a General Tonic Take Grove's
The Old Standard Grove's Tasteless Chill Tonic is equally valuable as a General Tonic because it contains the well-known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 50 cents.

Treating Insomnia.
The latest cure for insomnia, notes the Toledo Bee, is counting your inhalations and exhalations, but the Blade is skeptical, and comments: "We do not like mutton, but expect to continue counting sheep." In case of insomnia "first aid" should be to turn on the light, take up a book and read. While this may not cure insomnia, it defies it and is gratifying to a belligerent mind.

Head-off that All Winter Cough
At the first sign of sore throat, tight chest or stuffed-up head take a dose of Dr. Bell's Pine-Tar-Honey. The healing pine-tar, soothing honey and glycerine quickly relieve the congestion, loosen the phlegm and break up your cold. Dr. Bell's Pine-Tar-Honey has all the benefits of the healing aroma from a pine forest. It is pleasant to take and antiseptic. The formula on the bottle tells why it relieves colds and coughs. **GIRLS! GIRLS! TRY IT!
STOP DANDRUFF AND
BEAUTIFY YOUR HAIR**

Hair Stops Falling Out and Gets Thick, Wavy, Strong and Beautiful

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Danderine hair cleanse." Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one snail strand at a time. This will cleanse the hair of dirt, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Besides beautifying the hair at once, Danderine dissolves every particular of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it surely get a 25 cent bottle of Knowlton's Danderine from any druggist or toilet counter, and just try it.

Wonderful Insect World.
The insect world represents an unlimited field of life and activity. The number of insect species is greater by far than of the species of all other living creatures combined. Although more than 900,000 have been described, probably twice that number remain to be examined. Virtually all living animals, as well as most plants, supply food for these innumerable hordes.

Bad Colds from Little Sneezes Grow
Many colds that hang on all winter start with a sneeze, a sniffle, a sore throat, a tight chest. You know the symptoms of colds, and you know prompt treatment will break them up. Dr. King's New Discovery, with its soothing antiseptic balsam, has been breaking up colds and healing coughs of young and old for 47 years. Dr. King's New Discovery loosens the phlegm, clears the head, soothes the irritated membrane and makes breathing easier. At your Druggist, 50c.

Everybody's Sentimental.
The truth is that we are all sentimental at heart, whatever our culture. Even though we appreciate Brahms, shall we not find some pleasure in the repertoire of the hand organ, and though we admire Botticelli, shall we utterly condemn Darby and Joan? There are moods in which Jean Ingelow and Mrs. Hemans are not mawkish. The thousands still weep over the death of Little Nell, though the critics sneer.—Robert M. Gay, in the Atlantic.

Your druggist will refund money if PAIN OINTMENT fails to cure any case of itching, blind, bleeding or protruding Piles in 14 days. The first application gives Ease and Rest. 50c.

Guided by Magnetic Currents.
Recent experience has tended to show that carrier pigeons and other birds of passage are guided by magnetic currents. M. A. Thauzies, a French student of pigeons, has noted that on two occasions when pigeon flights were unsatisfactory magnetic storms were occurring, and the flights of these birds have been becoming often uncertain and erratic since wireless telegraphy came into extensive use.

Origin of the Hurdy-Gurdy.
The early type of hurdy-gurdy originated in Germany during the ninth century, and under the name of bauren-leier (peasant's lyre?) attained great popularity throughout Europe, falling into a decline only at the beginning of the last century. Even today a slightly modernized type of this instrument may be seen upon the streets of the smaller towns of Savoy.

For a Muddy Complexion.
Take Chamberlain's Tablets and adopt a diet of vegetables and cereals. Take outdoor exercise daily and your complexion will be greatly improved within a few months. Try it. Obtainable everywhere.

Maternal Instincts.
As a rule it is the mother of a few children who develops the maternal instinct most fully and most admirably, for she has time to realize and to follow out its manifold bearings. The sorely-pressed mother of a swarm is forced to be content if she can fill their clamorous stomachs, keep decent clothes on their backs and send them out with tolerably clean faces.
